

Community Futures Eastern Ontario

Community Futures Eastern Ontario (CFEO) represents a network of 15 Community Futures Development Corporations (CFDCs) in Eastern Ontario. Delivering regional programs such as the Southern Ontario Fund for Investing in Innovation (SOFII) and acting as the voice of the CFDCs, the CFEO Network increases the capacity and efficiencies of its members through advocacy along with value-added trainings, services and networking opportunities.

CFEO's Mission, Vision, Values

We will equip and support the innovative solutions of our members to build vibrant rural economies.

To expand and amplify our members' capacity as agents of economic opportunity.

Collaboration: We support and learn from each other

Initiative: We proactively identify and take a leadership role in addressing emerging issues and opportunities

Efficiency: We strive to streamline programs and processes, share services and reduce costs

Accountability: We honour our responsibilities to each other, our members, funders and stakeholders
